**Albilad Account :** Whereas the Customer ("the Customer") is desirous to open an investment account with the Bank to invest in through treasury speculation that complies with Islamic sharia (Al Bilad Account) with the understanding that once this agreement has been signed, that this is an offer from the Client and acceptance from the Bank of the account opening and that all the terms and conditions in this agreement thereto shall be applicable and binding to both parties including any further terms and/or conditions to be agreed by the parties in writing. Therefore, both parties have entered into this agreement in accordance with the legal and regulatory requirements in force and the terms and conditions the account (Albilad Account) and providing the services hereunder stipulated to which both parties have their full agreement.

#### Second: Definitions

Each of the following terms shall have the meaning assigned to it unless expressly stated otherwise :

\*The Customer\* : means any natural or juristic maintaining the account opened hereunder after signing this agreement.

\*The Bank\* : means Bank Albilad, C.R. 1010208295 head office Riyadh P.O. Box 140 Postal Code 11411, kingdom of Saudi Arabia.

\*Current Account\* means the bank account which is the subject for the application present by the account owner to the bank for availing such account pursuant to the terms herein.

Albilad Account: an investment account aiming to be a profit-oriented account based on Islamic principle of Mudaraba. According to this account the Customer deposits the Mudaraba capital and the bank administers this capital in the areas specified by the terms and condition of this agreement without affecting the right of the Customer to make withdrawals or deposits and/or any other transactions according to the terms and condition of the agreement.

Profit sharing :

SR	The Treasury average yields, that are not more than the average cost of SIBOR financing cost rate
USD	The Treasury average yields, that are not more than the average cost of LIBOR financing cost rate

less the expenses incurred by the Treasury (Mudarib)

\*Instrument commercial papers \* means cheques, promissory notes and other a draft and other non-cash instrument for payment of money mentioned in the commercial papers act.

A) The commissions of the purchase/sales brokers.

B) Expenses (losses) resulting from deferred payment. It is understood that the returns on the financing agreements by the different Bank departments do not represent the different earnings of the Bank from its Customer and the share of the securities department in the said returns shall be equal to the share realized through its own operations.

#### Third: Current Account ( This roles applicable only to the current account )

- Once the customer has signed this agreement, a banking relationship is established by opening a current account to which all payables and receivable will be posted, and this Agreement shall become subject to the laws and regulations in force in Saudi Arabia to the extent that it will not conflict with Islamic Rules. The customer hereby declares that all representations and information he/she presented to the bank are true, based on which this Agreement has been signed.
- Any funds deposited in the bank shall be equivalent to loans. Therefore, the Bank shall pay these funds to the customer upon request as SAMA regulations. The Bank shall have the right to use these funds and in the meanwhile, the customer shall not receive any interest on the funds owing.

#### Forth: Account Features : ( This roles applicable only to Albilad account )

- Once this agreement is signed by the Customer it is understood and agreed that Al Bilad account shall be established. The administration of the fund shall be on the basis of Mudaraba and to debit and credit the account according to the governing rules and regulations of the Kingdom in conformity with Islamic Sharia. Moreover, the Customer confirms that all information provided by him to the bank in this respect is accurate and correct.

#### 2- Types of Account Segments – Segment Minimum Amount – Customer Profit Rate

Segment type	Segment minimum amount (SR/USD)	Profit rate (SR/USD)
Albilad 3	20.000 SR / 10.000 US	40% / 50%
Albilad 2	300.000 SR / 100.000 US	60% / 70%
Albilad 1	2 Million SR / 1 Million US	80% / 90%

Note: Bank has the right to change the profit interest rate and segment limit for customer as its point of view, However bank has to send notification for customer regarding amendment before 30 days at least through any bank channels such as (email , SMS ...etc)

#### 3- Profit sharing ratio in distributable profits :

The Customer is entitled to the above mentioned profit rate (item Forth (2) from the profit recognized, while the bank is entitled to the remainder of the profit ratio. However, the bank is absolved from any liability arising from capital losses unless it is proved beyond doubt that the loss is attributed to verifiable negligence or dire miscalculation of risks. The Bank has the right to modify the ratio and segment limit at any time but the customer should be notified at least one month before applying the new rate. If the customer doesn't accept the said modification, he should submit a request to close his account before the specified time for enforcing the new rate otherwise, it shall be binding on him to accept the new rate.

#### 4- Qualifying Capital and Profit Entitlements :

- Profit per month will be computed on the basis of the minimum balance during a Gregorian month and therefore the Customer is fully entitled to withdraw his funds at any time thereby terminating the Mudaraba temporary for the month when the balance decreases until the balance increases up to the limit of Mudaraba subscription on the withdrawn amount and confining it to the minimum balance during the period specified above.
- The Customer shall not be entitled to any profit if the balance at any time during a month falls below ( SR 20000 ). In this case the customer will be considered conceding the profit of this month to the bank since the balance of his account still below SR 20000.
- The Customer shall not be entitled to any profit for the Gregorian month in which the account has been established unless the account is established during the workday of the first day of the month in question.
- The Gregorian calendar is the benchmark for computing the profits and fixing of the date of maturity thereto for a whole month with no entitlement for profits whatsoever for any fraction of a month.
- The percentage of profit payable to the customer is determined by the percentage of profit to be distributed according to the type of the account segment, . If the amount in the customer account is lower than the specified segment, his account segment will be downgrade to the lower segment and profit payable to the customer will be determined according to the new segment.

- B) The bank shall not be liable for any loss or delay in the delivery of instructions due to any online service, unless such loss or delay was caused by gross negligence or noncompliance by the bank. The bank disclaims liability in connection with any incorrect instructions, or if complete payment instructions are not given by the user at short notice without allowing enough time to effect payment on the right time.
- C) Information received by the user from the bank or any other information provider shall be deemed authenticated and will be provided on best effort basis to ensure comfort for the user. Notwithstanding, such information are not guaranteed and therefore, neither the bank nor any other information provider shall be liable for any lack of accuracy, incompleteness, unavailability or delay of delivery of information, or in connection with any investment or other decision that may be taken relying on such Information.
- D) Neither the bank nor any other Information provider shall be liable for any computer virus or any problem related to any information provided arising from services rendered by any information provider or may be caused by the user personal computer. The bank disclaims any responsibility whatsoever in connection with any act of piracy.
- 9) Restrictions of AlBilad System For The Users. :  
AlBilad System uses other proprietary applications of the bank and other technology providers. If the bank supplies the user with software applications to be used with AlBilad System, this confers upon the user a nonexclusive license to use such application and allows him/her to use such applications only for the purposes set out in this agreement. The user shall not remove, divide, copy, amend, or re-engineer any of the applications used by AlBilad System, nor shall he/she allow any other person to do so. AlBilad System provides the user with accessibility to other proprietary services and information owned by the bank and other information providers. The user may use AlBilad System exclusively for his/her personal noncommercial purposes and shall not reproduce or sell any of the information accessed through AlBilad System. It is understood by the user that the bank does not provide him/her with any information in respect of the quality, timeliness, performance, functionality, accuracy, reliability, availability etc. of this network, any communication systems, or delivery channels used by the bank, nor does the bank guarantee that the operating system or any communication or delivery system shall be up to the standards provided by the bank or that such system will always be error or defect free.
- 10) Customer Service:  
In the event that assistance is needed in respect of AlBilad System, the user may call the bank customer service center or write to the bank at its address. The user agrees that the bank may record any conversation between the user and bank employees, which is a practice used by the bank from time to time for quality assurance purposes and to ensure that the information provided to the user by bank staff are accurate. It also aims to ensure that user instructions are followed and implemented. AlBilad Phone Banking center can help the user solve any problems relating to AlBilad System subject to the terms and conditions of this agreement.
